THE LINUX FOUNDATION

THE CAMARA FUND
Directed Fund Participation Agreement

Thank you for your interest in joining the CAMARA Fund (the “Directed Fund”), a directed fund project of The Linux Foundation (the “LF”). The purpose of the Directed Fund is to raise, budget and spend funds in support of CAMARA Project a Series of LF Projects, LLC (the “Technical Project”), an open source project. The governance for the Directed Fund will operate pursuant to the Directed Fund Charter (the “Charter”), set forth as Exhibit B, and as amended in the future by the Directed Fund’s Governing Board with the approval of the LF. Please note that you must be a member of the LF to be eligible to participate as a member of the Directed Fund. For further information, visit the Corporate Membership page at the LF web site.

Participants will enjoy the privileges and undertake the obligations described in the Charter and will comply with all such policies as the LF Board of Directors and/or the Directed Fund’s Governing Board may from time to time adopt with notice to members. The LF reserves the right to refuse any Participation Agreement submitted by a member who has payment obligations outstanding to the LF or to any other LF directed funds. Technical oversight governance for the Technical Project is set forth in the Technical Charter, available on the project’s website or source repository.

Please have this Participation Agreement (the “Agreement”) executed by an authorized representative of the member company named below (“Member”) and send a copy in PDF form by email to membership@linuxfoundation.org. A countersigned copy will be returned to you by email for your records when your eligibility for membership has been confirmed and an invoice will be emailed to you for payment of applicable membership fees. Note that this is not an indication of interest; execution of this Agreement creates an irrevocable, binding obligation for the member company to make the payments provided for and to otherwise perform in accordance with its terms.

Contact Information: If you are an existing LF Member, all legal, billing and financial notices from the LF relating to your participation will be sent to the individuals already on file with the LF under those categories unless you designate a different individual in Exhibit A.

General Membership Fee Scale:

In calculating the appropriate annual fee for General membership, please indicate your current consolidated employee headcount in the membership level selected. Solely for purposes of calculating fees, Consolidated Employees include all employees of Related Companies (as defined in the Charter), which include any direct and indirect parent companies, and all sister and subsidiary entities. Employees do not include third party contractors.
Membership Terms:

One year’s fees are due on acceptance as a member, and the second year’s fees are due at the first anniversary of membership. At the second anniversary of membership, if membership is not canceled at least thirty days prior to the second anniversary of membership, a prorated amount of the applicable fees for the remainder of that calendar year (a “stub period”) will be invoiced. Membership will proceed on a calendar-year based renewal cycle thereafter.

For all levels of membership, an initial full year’s payment of fees is due upon receipt and acceptance of an executed membership agreement and payable within thirty days of the date of invoice from the LF. Agreements signed before the 15th of the month will be invoiced as if active on the first of the month of signature. Agreements signed on or after the 15th will be invoiced as if active on the 1st of the following month. All fee amounts are irrevocable and non-refundable commitments based in US Dollars. We reserve the right to refuse your Participation Agreement if you have outstanding obligations to the LF or any other LF directed funds projects. In no event will fees be refunded, upon a Member’s resignation or otherwise.

Each Member acknowledges that the LF and other members of the Directed Fund depend upon reliable participation renewal information to budget effectively, and that the LF’s ability to provide services to the Directed Fund would suffer in the event of nonpayment of participation fees. Each Member acknowledges The Linux Foundation’s Good Standing Policy, available at https://www.linuxfoundation.org/good-standing-policy.

Notice of any increase in participation fees for the following calendar year will be given on or before October 15 in the current calendar year. Member’s participation for each calendar year and any stub period, and its obligation to pay participation fees for the following calendar year or stub period, as applicable, will renew annually for successive one-year terms, unless the applicant delivers written notice of non-renewal to the LF on or before thirty days prior to expiration of the current membership term.

   a) The purpose of the CAMARA Fund (the “Directed Fund”) is to raise, budget and spend funds in support of CAMARA Project a Series of LF Projects, LLC (the “Technical Project”), in accordance with the provisions of this Charter. The governance of the Technical Project is as set forth in the charter for the Technical Project.

   b) The Directed Fund supports the Technical Project. The Directed Fund operates under the guidance of the Governing Board of the Directed Fund (the “Governing Board”) and The Linux Foundation (the “LF”) as may be consistent with The Linux Foundation’s tax-exempt status.

   c) The Governing Board manages the Directed Fund. The Directed Fund will also have an Outreach Committee and other working groups, councils, committees and similar bodies (collectively, “Committees”) that may be established by the Governing Board. These committees report to the Governing Board.

2) Membership.
   a) The Directed Fund will be composed of Premier, General and Associate Members (each, a “Member” and, collectively, the “Members”) in Good Standing (please see Section 7). All Members must be current corporate members of the LF (at any level) to participate in the Directed Fund as a member. All participants in the Directed Fund enjoy the privileges and undertake the obligations described in this Charter, as from time to time amended by the Governing Board with the approval of the LF. During the term of their membership, all members will comply with all such policies as the LF Board of Directors and/or the Directed Fund may adopt with notice to members.

   b) Premier Members will be entitled to appoint a representative to the Governing Board and any Committee.

   c) The General Members will be represented on the Governing Board by one representative to the Governing Board for every ten General Members, up to a maximum of three representatives, provided that there will always be at least one General Member representative, even if there are less than ten General Members. The Governing Board determines the nomination and selection process (for example, the Governing Board will call for nominations from General Members by email and then select from among the nominees, etc.).
d) The Associate Member category of membership is limited to Associate Members of The Linux Foundation. The Governing Board may set additional criteria for joining the Directed Fund as an Associate Member. If the Associate Member is a membership organization, Associate Membership in the Directed Fund does not confer any benefits or rights to the members of the Associate Member.

e) Members will be entitled to:

i) participate in Directed Fund general meetings, initiatives, events and any other activities; and

ii) identify themselves as members of the CAMARA Fund supporting the CAMARA Fund community.

3) Governing Board

a) The Governing Board voting members will consist of:

i) one representative appointed by each Premier Member;

ii) the chair of the technical steering committee of the Technical Project (the “TSC”), or, in the absence of a chair and with the approval of the Governing Board, any active contributor to the Technical Project so designated by the TSC (such chair or designee the “TSC Representative”); and

iii) the elected General Member representative or representatives.

b) It is strongly recommended for the efficient operation of the Directed Fund Company Nominee should be capable of representing their company with limited need for internal checking of every decision

c) No more than two Members that are part of a group of Related Companies (as defined in Section 6) may appoint, or nominate for a membership class election, a representative on the Governing Board. No single Member, company or set of Related Companies will be entitled to: (i) appoint or nominate for Membership class election more than two representatives for the Governing Board, or (ii) have more than three representatives (for example, one representative through appointment or nomination as a Premier or General Member, respectively, and one representative serving as the TSC Representative) on the Governing Board.

i) Please note that it will be acceptable for one Member (that is part of a group of Related Companies that together have appointed two representatives to the Governing Board) to have another of its employees, or an employee of one of its Related Companies, serve as the TSC Representative on the Governing Board.

d) Conduct of Meetings

i) Governing Board meetings will be limited to the Governing Board representatives,
the Outreach Committee Chair, invited guests and LF staff.

ii) Governing Board meetings follow the requirements for quorum and voting outlined in this Charter. The Governing Board may decide whether to allow named representatives (one per Member per Governing Board and per Committee) to attend as an alternate.

iii) The Governing Board meetings will be private unless decided otherwise by the Governing Board. The Governing Board may invite guests to participate in consideration of specific Governing Board topics (but such guest may not participate in any vote on any matter before the Governing Board).

e) Officers

i) The officers (“Officers”) of the Directed Fund as of the first meeting of the Governing Board will be a Chairperson (“Chair”) and a Treasurer. Additional Officer positions may be created by the Governing Board.

ii) The Chair will be selected by the Governing Board from among the members of the Governing Board and will preside over meetings of the Governing Board, manage any day-to-day operational decisions, and will submit minutes for Governing Board approval.

iii) The Treasurer will assist in the preparation of budgets for Governing Board approval, monitor expenses against the budget and authorize expenditures approved in the budget.

f) The Governing Board will be responsible for overall management of the Directed Fund, including:

viii) approve procedures for the nomination and election of any representative of the General Members to the Governing Board and any Officer or other positions created by the Governing Board; and

ix) vote on all decisions or matters coming before the Governing Board.

4) Committees

The Outreach Committee is expected to coordinate closely with the Governing Board and technical communities to maximize the outreach and visibility of the Technical Project throughout the industry.

iii) The Governing Board may appoint a chairperson of the Outreach Committee or delegate responsibility for selecting a chairperson to the Outreach Committee. The Outreach Committee chairperson will be responsible for reporting progress back to the Governing Board. The Outreach Committee chairperson may attend meetings of the Governing Board, but, unless the Outreach Committee chairperson is a member of the Governing Board, the Outreach Committee chairperson will not attend as a voting member of the Governing Board.

b) Participating Organizations

i) Organizations that wish to be identified as a non-member “participating organization” in the Directed Fund may submit a pull request to add their name and logo to the “participating organization” folder within the Directed Fund’s repository and/or website.

c) Participating Individuals

i) Individuals interested in supporting the CAMARA Project are encouraged to contribute to the Technical Project.

5) Voting

a) Quorum for Governing Board and Committee meetings will require at least fifty percent of the voting representatives. If advance notice of the meeting has been given per normal
means and timing, the Governing Board may continue to meet even if quorum is not met, but will be prevented from making any decisions at the meeting.

b) Ideally decisions will be made based on consensus. If, however, any decision requires a vote to move forward, the representatives of the Governing Board or Committee, as applicable, will vote on a one vote per voting representative basis.

c) Except as provided in Section 13.a. or elsewhere in this Charter, decisions by vote at a meeting will require a simple majority vote, provided quorum is met. Except as provided in Section 13.a. or elsewhere in this Charter, decisions by electronic vote without a meeting will require a simple majority, provided quorum is met. In both cases if an already taken decision has to be revised, a two-thirds vote of the entire Governing Board or Committee, as applicable, is necessary.

d) In the event of a tied vote with respect to an action that cannot be resolved by the Governing Board, the Chair may refer the matter to the LF for assistance in reaching a decision. If there is a tied vote in any Committee that cannot be resolved, the matter may be referred to the Governing Board.

i) “Subsidiaries” means any entity in which a Member owns, directly or indirectly, more than fifty percent of the voting securities or membership interests of the entity in question;

ii) “Related Company” means any entity which controls or is controlled by a Member or which, together with a Member, is under the common control of a third party, in each case where such control results from ownership, either directly or indirectly, of more than fifty percent of the voting securities or membership interests of the entity in question; and

iii) “Related Companies” are entities that are each a Related Company of a Member.

b) Only the legal entity which has executed a Participation Agreement and its Subsidiaries will be entitled to enjoy the rights and privileges of such Membership; provided, however, that such Member and its Subsidiaries will be treated together as a single Member.

c) If a Member is itself a foundation, association, consortium, open source project, membership organization, user group or other entity that has members or sponsors, then the rights and privileges granted to such Member will extend only to the employee-representatives of such Member, and not to its members or sponsors, unless otherwise approved by the Governing Board in a specific case.

d) Directed Fund Membership is non-transferable, non-salable and non-assignable, except a Member may transfer its current Membership benefits and obligations to a successor of
substantially all of its business or assets, whether by merger, sale or otherwise; provided that the transferee agrees to be bound by this Charter and the Bylaws and policies required by LF membership.

a) The Governing Board will approve an annual budget and never commit to spend in excess of funds raised. The budget and the purposes to which it is applied must be consistent with both (a) the non-profit and tax-exempt mission of The Linux Foundation and (b) the goals of the Technical Project.

b) The Linux Foundation will provide the Governing Board with regular reports of spend levels against the budget. Under no circumstances will The Linux Foundation have any expectation or obligation to undertake an action on behalf of the Directed Fund or otherwise related to the Directed Fund that is not covered in full by funds raised by the Directed Fund.

c) In the event an unbudgeted or otherwise unfunded obligation arises related to the Directed Fund, The Linux Foundation will coordinate with the Governing Board to address gap funding requirements.

11) General & Administrative Expenses

a) The Linux Foundation will have custody of and final authority over the usage of any fees,
funds and other cash receipts.

b) A General & Administrative (G&A) fee will be applied by The Linux Foundation to funds raised to cover membership records, finance, accounting, and human resources operations. The G&A fee will be 9% of the Directed Fund’s first $1,000,000 of gross receipts each year and 6% of the Directed Fund’s gross receipts each year over $1,000,000.
