CAMARA

THE TELCO GLOBAL API ALLIANCE

CAMARA is a project of The Linux Foundation and must follow the [LF Projects Policies](#). These policies include an [Antitrust Policy](#), [Code of Conduct](#), [Privacy Policy](#), [Terms of Use](#), and [Trademark Policy](#). If you have a general question about any policy, please feel free to reach out to the Manager of LF Projects at manager@lfpjrojects.org. For specific questions surrounding legal interpretation and compliance with any of these policies, please consult with your legal counsel.
